### Huge Bandwidth... small price tag.

For businesses that need bandwidth to burn, but not with the hefty price tag that normally comes with an Ethernet technology. Our EFM services can provide up to 20Mb/20Mb of bandwidth. Perfect for those businesses that requires fast communication between office locations.

### Unlimited Data Sharing.

Data communication between offices is completely unlimited meaning businesses can communicate as much as they like by sharing servers, resources, allowing staff to work from home and connect privately.

### Service Level Agreement with rebates.

Basic Service Level Agreement that provides financial rebates should we not meet our promises. We believe so much in our products and services; we're prepared to put our money where our mouth is.

# Why Choose Us?

Because we give the kind of service you just can't get from the big telcos.

---

## One Bill

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

## Direct Contact

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

## Choice of Networks

We know reliability is crucial, it's just got to work. So we only partner with the tier 1 networks so you get the service you're paying for, in more places. And better still, we can offer the network that suits you, not us.

## A Communications Partner

We believe in being a valued partner to our clients by offering honest and straightforward advice. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.

## Things You Should Know

---
